

## PROFESSIONAL TRAINING HOURS TO BE COMPLETED IN THE ACADEMIC YEAR **2025/2026**

**BEFORE STARTING A PROFESSIONAL PRACTICE, YOU SHOULD CONSULT THE PROFESSIONAL PRACTICE SUPERVISOR FOR A GIVEN SUBJECT!**

The number of teaching hours during the internship must be consistent with the weekly period. Students may complete their internship in shifts, provided that the student's internship hours at the selected medical facility are limited to **10 teaching hours per day**.

In justified situations, the daily duration of the internship may be extended with the consent of the internship supervisors (from the institution and the University) and the internship manager, but not more than 12 hours per day.

THE TIME OF IMPLEMENTING THE PROFESSIONAL TRAINING AT THE FACILITY IS AGREED WITH **THE TRAINING SUPERVISOR AT THE FACILITY**

BASED ON INTERNAL REGULATIONS AND THE LABOUR CODE.
